Retour aux Sources

Retour aux Sources, AOP Coteaux varois en Provence, Rosé, 75 cl, 2025

AOP Coteaux varois en Provence, Provence, France

Taking care of our terroir, the soil, the vines and all the living surroundings: this is where our cooperation takes its source, where we always come back to our convictions. Discover them in this authentic and intense rosé.

PRESENTATION
The grapes, grown in the commune of La Roquebrussanne, a village in the Centre Var, are cosseted and respected in accordance with the principles of organic growing. They possess their own individual character thanks to their terroir and very particular climate. Due to the terroir's altitude, where the winters are harsh and the summers scorching hot, the wines are very aromatic and appetising.

CERTIFICATIONS
