PRESENTATION

Estandon has been expressing the personality of the Côtes de Provence A.O.C. wines with talent since 1947.

Vintage after vintage, it remains the reference, synonymous with quality and relaxed enjoyment.

TERROIR

Estandon is made from a blend of wines produced in the best terroirs of the Côtes de Provence A.O.C. with shallow schist and loam soils located in the Maures mountains and on the hilltop slopes near Flayosc, on the doorstep of the Verdon.

These ancient vineyards grow on countryside hills alongside olive trees and Holm Oaks.

WINEMAKING

The grapes are mainly harvested by machine very early in the night in order to ensure that the wine has a lovely pale appearance.

A short maceration on the skins is performed before pressing. The juices are settled at low temperature. Alcoholic fermentation is temperature-controlled and malolactic fermentation is prevented.

Vinification is carried out in temperature-controlled stainless steel vats, in the traditional manner.

CERTIFICATIONS

Estandon Vignerons has a traceability process and a quality of production which has been IFS (International Food Standard) certified at the highest level since 2009. The AFAQ 26000 assessment also guarantees that Estandon Vignerons is committed to its social, environmental and economic responsibilities.
