

## Brise Marine Blanc

Vin de Pays Méditerranée, France

### PRESENTATION

Legend has it that Phoenician ships, carried on a steady sea breeze ("brise marine"), landed on the Mediterranean coast in the 6th century BC. They brought with them the knowledge of vine growing and winemaking. To celebrate the legend, the Estandon winemakers have created this "Brise Marine" vin de pays and invite you to taste the fruit of their region's history.
