## SYMBIOSE

### Symbiose, AOC Côtes de Provence, Rosé, 2023

AOC Côtes de Provence, Provence, France

The momentum of our cooperation, the power of our living terroir, biodynamic culture: this wine is born from the symbiosis of human, terrestrial and cosmic forces, to offer its harmony to all your sharing moments.

#### PRESENTATION

Finesse and elegance characterize this rosé wine made from Demeter grapes.

#### TERROIR

This wine comes from the terroir of the village of Correns, in the Var, which has been 100% organic for 25 years.

All the land is cultivated in organic farming. Everything is done to protect the environment: soil work is done without pesticides, insecticides or weedkillers.

Yields are limited and scrupulously respect the specifications for organic wines.

Beyond organic, the preservation of the environment is a concern of the winegrowers of Correns and a recent study shows that biodiversity is five times richer in Correns than in neighboring villages.
