## Pesque Lune Rouge - Organic wine

Vin de Pays Argens, France

A long time ago, in Correns, late into the night, on the old bridge above the Argens river, the moon was dancing quietly and put her divine light discretely on a fisherman. He became Pierre, the Moon Fisherman. The Pesque Lune was born, a wine with an incredible beauty.

### THE STORY

The terroir and the cooperative winery of Correns are situated in the heart of the village in Provence.

This last extends from the Argens valley, passes through the outskirts of the village, to go stretch towards the most narrow plateaus at the foot of the Mount Bessillon.

The diversity, wealth, harmony of life and natural environment are making this village a privileged terroir for the production of great cuvées.
