## Terres de Saint Louis, AOC Coteaux varois en Provence, Rosé, 2020

AOC Coteaux varois en Provence, Provence, France

### PRESENTATION

An expressive, harmonious rosé wine and great ambassador for the Coteaux Varois en Provence.

### TERROIR

Encircled by the Côtes de Provence, the Coteaux Varois en Provence appellation, ten times smaller than its big sister, has a very specific character, due to its terroir and very unique climate.

The vines grow at between 200 and 500 metres altitude, where the winters are harsh and the summers extremely hot, with cooler nights.

This alternation of temperatures allows the grapes to ripen slowly and gently, preserving all their aromas.

### VINIFICATION

The grapes are mainly harvested by machine very early in the night in order to ensure that the wine has a lovely pale appearance. A short maceration on the skins is performed before pressing. The juices are settled at low temperature. Alcoholic fermentation is temperature-controlled and malolactic fermentation is prevented.

Vinification is carried out in temperature-controlled stainless steel vats, in the traditional manner.
