LES CERCLES

Les Cercles, AOP Côtes de Provence, Rosé, 2021

AOP Côtes de Provence, Provence, France

A wine that celebrates how we make our wine together, the virtuous strength of unity and the links between nature, cooperative producers and appreciators of fine rosé. Three circles of life, one force for good.

PRESENTATION

Estandon works in partnership with winemakers, who strive to protect and respect their terroir. This organic wine reflects the optimum growing conditions of the vines which are left to reveal their true character and the force of their terroir.

TERROIR

This rosé comes from the Center Var terroir where its rocky soil ensures good drainage of excess water and maintains the summer heat. The vines are cultivated there in accordance with the specifications of organic farming.

WINEMAKING

The grapes are mainly harvested by machine very early in the night in order to ensure that the wine has a lovely pale appearance.

A short maceration on the skins is performed before pressing. The juices are settled at low temperature. Alcoholic fermentation is temperature-controlled and malolactic fermentation is prevented.

Vinification is carried out in temperature-controlled stainless steel vats, in the traditional manner.
