

ESTANDON

COOPÉRATIVE EN PROVENCE

ESTANDON, A COLLECTIVE HISTORY

The men and women of ESTANDON have been pooling their know-how and knowledge of the terroirs to express all the joy of the Provençal way of life for over 50 years. Every day, this spirit of cooperation takes shape and flavour in the form of wines that offer drinking pleasure and conviviality and represent our collective commitment to people, nature and our local area.

Whether they are winegrowers, employees or partners, they all play a part in the growth of the ESTANDON brand, now present in over 50 countries.
