

ESTANDON

Z É N I T H

Estandon Zénith, with its appetizing, sensual and carnal character, is an invitation to a sensory experience. Its Burgundy-shaped bottle displays a delectable graduation of pink shades on the neck and is clad in voluptuous powderpink packaging borrowed from the world of luxury.

The wine's lovely length on the palate, and its delicacy and perfect balance, make it ideal for those special moments when you are looking to enjoy a refined, aromatic drinking experience with good food.
