

ESTANDON

LUMIÈRE

With the astonishing design of its exclusive bottle, Estandon Lumière invites you to discover a terroir, that of Provence Verte, where the olive-tree terraces line the vineyards, where the harsh light sculpts striking contrasts, where the climate produces extremes.

This terroir is that of the confidential appellation of Coteaux Var in Provence which delivers fine and delicate wines. In a bottle of Estandon Lumière, the grapes are carefully selected to offer the taster, curious and aware, a nice balance between freshness and silky.
