

RETOUR AUX SOURCES

Estandon Retour aux Sources, AOC Coteaux varois en Provence, Rosé, 2020

AOC Coteaux varois en Provence, Provence, France

Estandon Retour aux Sources creates an interlude, a little, disconnected bubble, where time, quiet and contemplative, flows to the rhythm of the vine's vegetative cycle.

TERROIR

The grapes, grown in the commune of La Roquebrussanne, a village in the Centre Var, are cosseted and respected in accordance with the principles of organic growing. They possess their own individual character thanks to their terroir and very particular climate. Due to the terroir's altitude, where the winters are harsh and the summers scorching hot, the wines are very aromatic and appetising.
