## Terres d'Estandon, AOC Coteaux varois en Provence, Rosé, 2024

AOC Coteaux varois en Provence, Provence, France

The terroirs, the vines, the sky, the soils, biodiversity... Observing nature, listening to its cycles, gives the feeling of working on a new land every day. This organic wine is all of us: the women and men who make this wine from the Var hills in Provence, and those who share it.

### PRESENTATION

The terroir of the Coteaux Varois en Provence owes much of its character to its geology: a series of limestone and clay-limestone folds oriented from east to west alternate with areas of gravel and flint.
