

Génération ESTANDON

Génération Estandon , Génération Estandon, AOP Coteaux varois en Provence, Blanc, 2023

AOP Coteaux varois en Provence, Provence, France

"Work in cooperation to achieve the best". This is the manifesto of a generation of winegrowers who, through combining their efforts, have created this sincere and authentic organic wine. To be shared and enjoyed with good friends, of course!

PRESENTATION

This wine reflects the commitment of our winegrowers to respecting the environment, from the cultivation of the vines using organic growing methods to the eco-design approach taken to the bottle's packaging.

TERROIR

This wine is made from grapes from selected organically grown plots of vines in the Coteaux Varois en Provence AOC. Located in the heart of Provence, this AOC boasts a unique terroir - a Mediterranean climate with a continental influence and high-altitude vineyards with limestone soil - that allows the grapes to attain a very good phenolic maturity while preserving their acidity.

WINEMAKING

The grapes are harvested at night. Direct pressing followed by settling. Stabilisation of the musts for 8 days at a very low temperature. Temperature-controlled alcoholic fermentation. Malolactic fermentation is prevented. Vinification in temperature-controlled stainless-steel vats, in the traditional manner.

CERTIFICATIONS

Organic wine accredited by Qualité France / Bureau Veritas.

RESPONSABLE TECHNIQUE DU VIGNOBLE

MAITRE DE CHAI

Catherine Huguenin

VARIETALS

Rolle, Ugni blanc

Contains sulphites.

TASTING

The wine displays a bright light-yellow hue flecked with gold. The nose opens with notes of white-fleshed fruit. The wine is fluid on entry to the palate where it reveals a lovely freshness with citrus and floral aromas. The whole is balanced by a lovely taut acidity. Nice persistence.

SERVING

Fully appreciate it at 10°C.

FOOD PAIRINGS

This wine is a perfect accompaniment to appetisers, fish, white meat or a strawberry salad with crunchy pistachios.

AGEING POTENTIAL

Enjoy all year long
