Estandon Lumière rosé 75cl

AOC Coteaux varois en Provence, Provence, France

The emotion of an intimist Provence.

With Lumière, Estandon has created an expressive, aromatic rosé in the typical elegant style of the rosés from Provence. Its freshness originates in its terroir located in the heart of an intimist Provence.

PRESENTATION

A delectable rosé, from a rigorous selection of less than 10% of our finest wines in the Coteaux Varois en Provence A.O.C., the result of Estandon Vignerons' commitment to the AgriConfiance certification.

TERROIR

This wine is derived from a selection of vineyard plots within the Coteaux Varois en Provence AOC area. Located in the heart of Provence, the Coteaux Varois en Provence AOC boasts a unique terroir - a Mediterranean climate with a continental influence and high-altitude vineyards with limestone soil, that allows the grapes to attain a very good phenolic maturity while preserving their acidity.

WINEMAKING

The grapes are harvested at night. A short maceration on the skins is performed before pressing. Alcoholic fermentation is temperature-controlled and malolactic fermentation is prevented. Vinification is carried out in temperature-controlled stainless-steel vats, in the traditional manner.
