## PLEINE NATURE

### Pleine Nature, IGP Méditerranée, Rosé, Organic 2024

IGP Méditerranée, France

A revelation ! Méditerranée is a beautiful nature that continues to surprise us. With this organic rosé, we want to share with you the respect that inspires us ... Respect the living, respect for time.

#### TERROIR

The IGP Méditerranée Estandon is a wine-growing appellation including wines from all the Estandon territory: from the "La Provence Verte" through Maures massif to the Dracénie.

#### WINEMAKING

The grapes are mainly harvested by machine very early in the night in order to ensure that the wine has a lovely pale appearance.

A short maceration on the skins is performed before pressing. The juices are settled at low temperature. Alcoholic fermentation is temperature-controlled and malolactic fermentation is prevented.

Vinification is carried out in temperature-controlled stainless steel vats, in the traditional manner.
