

Gris d'Argens Rosé, 75cl

IGP Var, France

Gray wine owes its very pale color and delicate aromas to a very short contact between the juice and the skin of the grapes.

TERROIR

The IGP Var "Argens" is a gray wine resonating with the limestone, gypsum and crystalline origins of the Argens watershed. This river which has its source in Seillons, crosses the center of the Var from East to West. This valley is part of the natural heritage of the Var department, because of its geological wealth, bio-diversity and history.

WINEMAKING

Harvested by machine at night. Short maceration. Pressing. Thermo-regulated alcoholic fermentation. Prevention of malolactic fermentation. Traditional vinification in stainless steel vats.
