## TERRE Nouvelle

### Terre Nouvelle, IGP Var BIO, Rosé, 2023

IGP Var BIO,

Taste the joy of new discoveries with this lovely fresh organic rosé

TERRE NOUVELLE is an organic wine rooted in a modern vision of terroir and centuries of savoir-faire. This wine expresses the painstaking work of the Estandon winegrowers who, over the course of the seasons, strive to ensure that their vines take firm root in healthy soils and that the terroirs they pass on to future generations are well preserved.

#### **TERROIR**

Indication Géographique Protégée: VAR

The organically worked vineyards are located in the centre of the Var department. The soils are uniformly chalky, poor and well-drained, allowing the vines to be cultivated in excellent conditions.

#### **WINEMAKING**

The grapes are pressed as soon as the night harvest arrives in the cellar, in order to preserve the freshness of the aromas, vinification of the clear juices at moderate temperature, cleaning by racking at the end of alcoholic fermentation to avoid malolactic fermentation which reduces the natural acidity of wines. Traditional vinification in stainless steel vats, mastered temperatures.

### **TASTING**

Fruity and light

Clear, bright appearance with a gorgeous pale pink hue with a few salmon nuances.

The nose is clean, pleasant and reminiscent of a basket of fresh red fruit (raspberries, gariguette strawberries), then followed by citrus aromas (mandarin and pomelo).

The palate is just as charming, restituting the delectable fruity aromas perceived on the nose.

The wine is supple, nicely scented and underpinned by good acidity lending it lightness and freshness.

#### **SERVING**

Serve between 6-8°C

#### **FOOD PAIRINGS**

A wine full of finesse and freshness, which can be enjoyed for an aperitif, or with "fusion" cuisine whith spices such as turmeric and ginger.
